Join CoreLink Ethiopia!

CoreLink Ethiopia is a national innovation and talent hub where Ethiopian students, professionals, entrepreneurs, and founders come together to meet like-minded people, collaborate, and grow professionally.

Students and professionals can develop skills, learn from others, and build a professional profile while using this platform to collaborate on projects, find co-founders, to meet like minded people , and access job and career opportunities. Companies and business owners can find talent, post opportunities, and connect with the people needed to grow their teams and ventures.

Join our community as the place where Ethiopian talent, vision, and collaboration come together. Visit corelink.et or search "CoreLink Ethiopia" in your browser to join and learn more.
