CORELINK ETHIOPIA IS INVITING ETHIOPIAN STUDENTS AND PROFESSIONALS TO JOIN

CoreLink Ethiopia is an Ethiopian-based platform and community dedicated to helping Ethiopian students and professionals connect with opportunities, grow professionally, and build meaningful careers.

Members can create completely free professional profiles and portfolios to showcase their skills, projects, achievements, and experience. Through CoreLink, you can discover professional opportunities including full-time jobs, part-time jobs, internships, remote opportunities, and freelance work from both local and international organizations.

CoreLink also helps you connect with like-minded individuals, find potential co-founders, collaborate on projects, build professional relationships, and become part of a growing community focused on learning, innovation, and career growth.
